## SUPERIOR COURT RULES 1934

## RULE 58

*(Applicable to civil jury cases except in Suffolk)*

## TRIAL LISTS WITH JURY IN COUNTIES OTHER THAN SUFFOLK

In counties other than Suffolk, for each year beginning the first Monday of September a jury trial lists for each shire town shall be made.

The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of August preceding. Said list need not be printed or prepared for distribution except to such extent as may be deemed proper by the clerk or ordered by the court.

Cases may be added to the list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

The clerk shall make an adequate short list of cases for the first day of any session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

When separate sessions for or including civil jury business are held simultaneously in the same shire town, the list, assignment of cases and other administrative matters shall be subject to the direction of such justice as the chief justice may designate.

Cases on one jury trial list shall not have precedence over, or be carried over to, a succeeding annual list, unless the court shall otherwise order.

## RULE 60

*(Applicable to civil cases without jury except in Suffolk)*

## TRIAL LISTS WITHOUT JURY IN COUNTIES OTHER THAN SUFFOLK

In counties other than Suffolk, for each session for or including civil business without jury a list of cases for trial or hearing on the merits without jury shall be made; but only one list shall be made for several sessions held simultaneously in the same shire town, and in such case the list, assignment of cases and other administrative matters shall be subject to the direction of such justice as the chief justice may designate. The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk at least twenty-one days before the beginning of the session, and shall be ready for inspection at least seven days before the beginning of the session.

Cases may be added to the list by order of court at any time or by written agreement of all parties interested given to the clerk not later than the second day preceding the beginning of the session, and shall be placed at the end of the list unless the court shall otherwise order.

The clerk shall make an adequate short list of cases for the first day of the session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Equity cases, in counties having separate equity dockets, and divorce cases shall be segregated on the list and taken up at such times as the court may order.

Cases on one list for trial or hearing shall not have precedence over, or be carried over to, a succeeding list, unless the court shall otherwise order.

#### RULE 62

*(Applicable to civil jury cases in Suffolk)*

#### TRIAL LISTS WITH JURY IN SUFFOLK

In Suffolk there shall be made for each year beginning the first Monday of September, a general jury trial list, and for each month except August a special jury trial list of cases within G. L. c. 212 § 16 or within such other designation of the purposes of special or speedy trial sessions with jury in Suffolk as may be made by the chief justice under St. 1928 c. 228.

Said lists shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of the month preceding. Said lists need not be printed or prepared for distribution except to such extent as may be ordered by the justice having direction of the lists.

Cases may be added to the general list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

Short lists shall be made by the clerk under the direction of the justice having direction of the lists, and shall be mailed to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

The lists, assignment of cases, and other administrative matters in civil jury cases in Suffolk shall be subject to the direction, as to the general list, of the justice presiding in the first jury session, and as to the special list, of the justice presiding in the sixth jury session, except as may be otherwise ordered by the chief justice.

Unless the court shall otherwise order, cases on one special list not reached for trial shall take precedence of cases on a subsequent list, but cases on one general list shall not have precedence over, or be carried over to, a succeeding general list.

#### RULE 64

*(Applicable to civil cases without jury in Suffolk)*

#### TRIAL LISTS WITHOUT JURY IN SUFFOLK

In Suffolk there shall be made for every Monday, except in August, a weekly list of cases for trial or hearing on the merits without jury.

Said list shall be composed of cases placed thereon (a) by order of the court, (b) by written agreement of all parties interested given to the clerk not later than four o'clock in the afternoon on the Tuesday preceding the Monday for which the list is made up, or (c) by written notice to all parties interested seven days at least before the Monday for which the list is made up and the filing with the clerk of an affidavit thereof not later than four o'clock in the afternoon on the Tuesday preceding said Monday.

Cases for assessment of damage only shall be classified as such on the list and shall be heard at the opening of the court on each Monday, unless the court otherwise orders. Other cases shall, unless otherwise ordered by the court, be arranged on the list according to the time

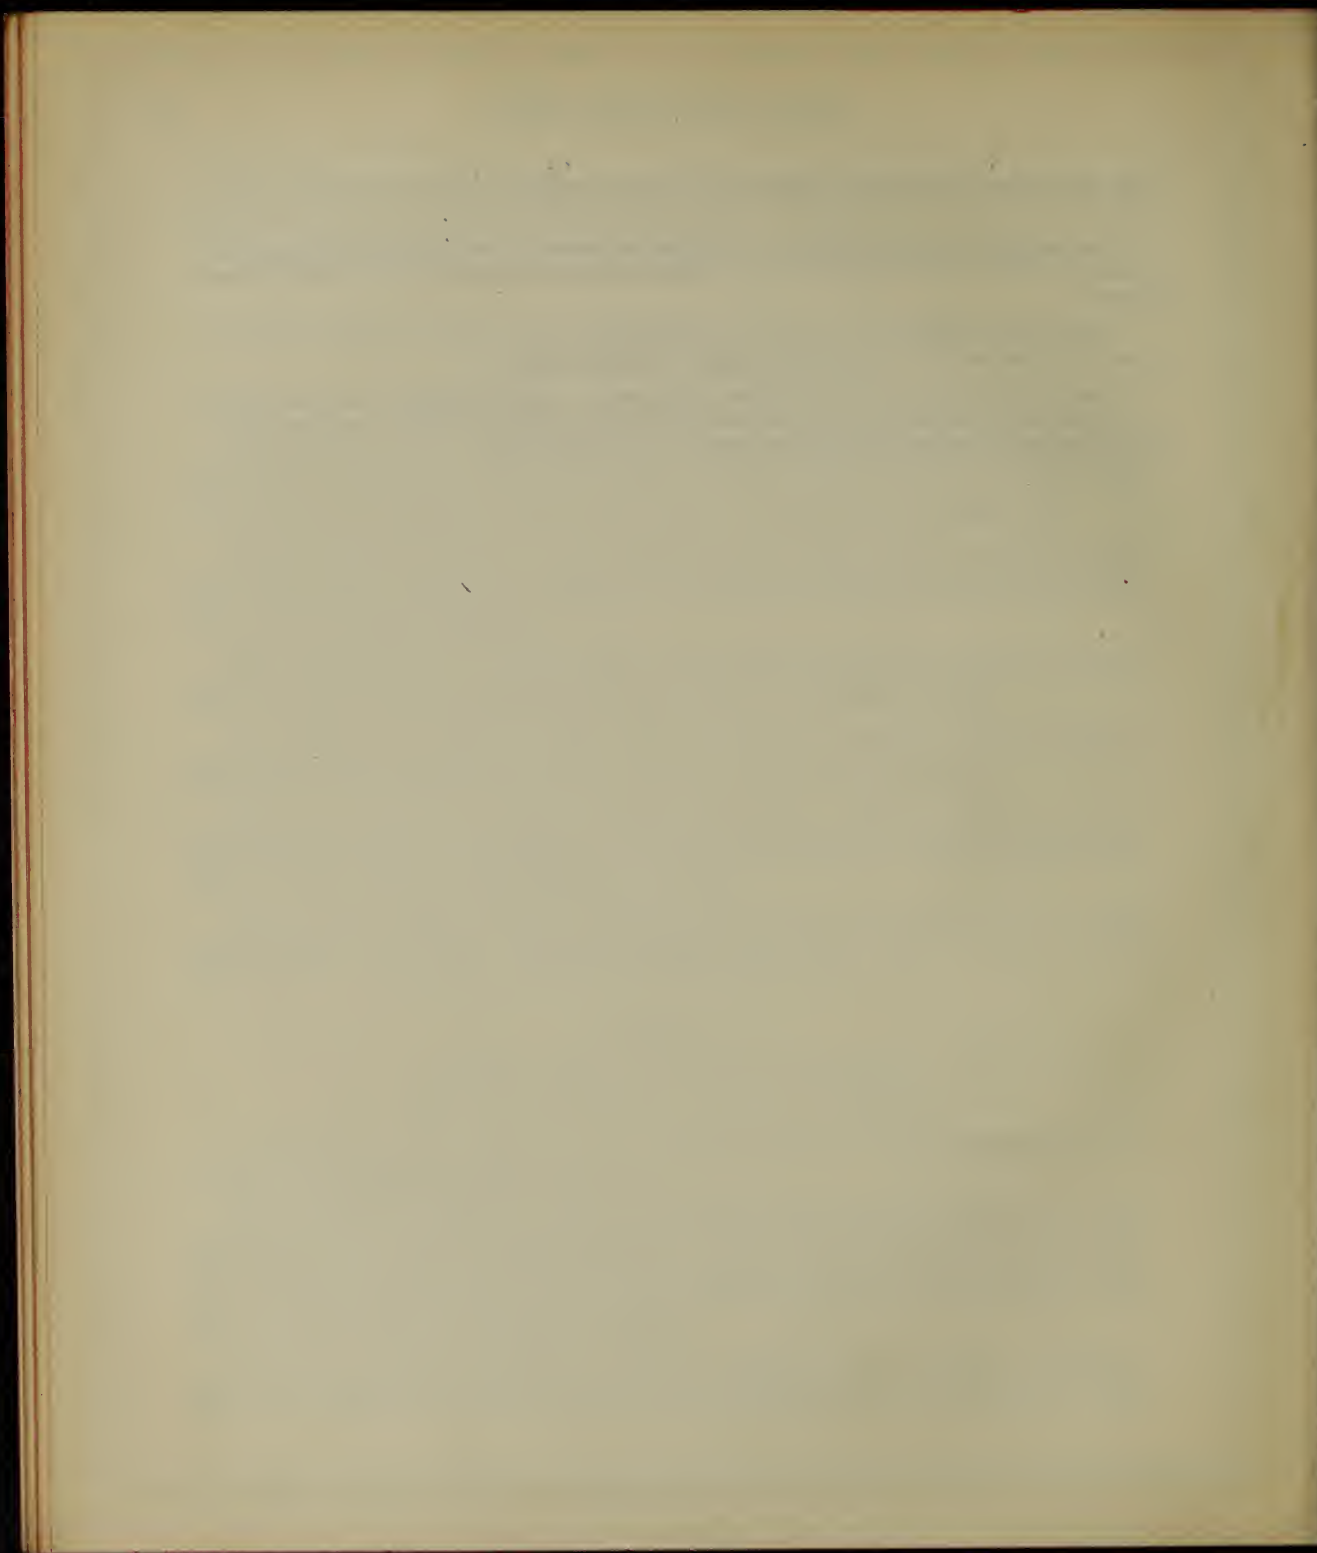

when placed thereon, precedence being given, however, on written request of any party, to cases within G. L. c. 212 § 16.

The weekly list shall be mailed to all counsel of record in the cases placed thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Cases on one weekly list not reached for hearing shall take precedence of cases of the same class on a subsequent list, unless the court shall otherwise order.

The list, assignment of cases, and other administrative matters in civil cases without jury in Suffolk shall be subject to the direction of the justice presiding in the first session without jury, except so far as may be otherwise ordered by the chief justice.

## MORE MONEY FOR SHERBORN

### Norfolk Item Also Boosted in State Budget

The general appropriation bill, the State budget, calling for \$55,358,114.22 for maintenance of State Departments and \$2,906,375 for the Metropolitan district, was reported into the House yesterday by the legislative committee on ways and means.

The bill was put over until Monday on motion of Representative Albert F. Bigelow of Brookline, chairman of the ways and means committee. At that time Chairman Bigelow will make a statement outlining the appropriations asked for and the measure will then go over until Tuesday, when items which the members desire to debate may be "passed" and a vote taken at the Wednesday session.

Maintenance of the Women's Reformatory at Sherborn and the Norfolk Prison Colony were increased over those for these two institutions last year. The budget calls for \$172,382 for the Women's Reformatory and \$314,700 for Norfolk. Last year the appropriations were \$164,020 for Sherborn and \$270,500 for Norfolk.

An additional item of \$5000 in Norfolk budget is "for expenditures to provide additional protection and security in the custody of prisoners at the State prison colony." This item was asked for by Commissioner Dillon to provide additional solitary confinement cells for those requiring punitive treatment.

Meeting of district agents.  
The same uneasiness prevailed

Sometimes I wonder if anything is  
accomplished by them. Each man

conference with the others & I, too,  
probably seem more critically fault  
finding than ever. As usual  
Mr. Donovan said nothing. I do not  
think it is modesty that makes him  
so silent at the meetings. His aloofness  
is a defense mechanism. They are all  
singularly rude to one another. Perhaps  
that is a masculine trait.

FRIDAY, AUGUST 10, 1934

Mrs. Pauline R. Thayer -  
My dear Mrs. Thayer:

File 22481

July 26, 1934

Referring to the case of the Hopper children who are now living in the home of Miss Bertrude Brigham, Hudson St., Hudson, I write to say that Miss Brigham came to the office yesterday by appointment and we discussed the case quite thoroughly.

We realize fully the excellent care the children have received in the home of Miss Brigham but these children were accepted by us at the request of their parents and not by order of the court.

Those who know Mrs. Hopper think well of her and she is being assisted in re-establishing her home. It is but natural that she should wish her children returned and we have no authority to hold them from her.

I am sure Miss Brigham feels better now that she understands the situation.

I regret that we are unable to allow the children to remain with her under our care but it is our duty to return them to their parents when and if they are able to care for them.

Very truly yours.

Winifred A. Keneran

Directo.
